Blending innovation and value into exceptional seed products. Mixing incredible service and expertise to form lasting relationships.

**Integrity** is a superb turf-type Tall Fescue recognized for its rich dark green color and attractive texture. Ranked #1 in the NTEP for spring greenup and overall quality. **Integrity** displays top turf qualities for commercial and

residential use. **Integrity** exhibited superior turf quality during the hot humid summer months when the heat stress, brown patch and Pythium diseases were the most severe. It will grow in a variety of soil conditions and grows great in

both full sun to partial shade. **Integrity** has excellent wear tolerance.
